2007 BILL
Senate 40

At the locations indicated, amend the substitute amendment as follows: ✓

- 1 AN ACT ~~to renumber and amend 40.05 (1) (b); and to create 40.05 (1) (b) 2.~~ of
- 2 the statutes; **relating to:** payment of employee required contributions under
- 3 the Wisconsin Retirement System.

Analysis by the Legislative Reference Bureau

Under current law, required employer and employee contributions under the Wisconsin Retirement System (WRS), and the earnings on these contributions, fund the cost of providing retirement annuities to public employees who are covered under the WRS. Current law permits the employer, on behalf of its employees, to pay all or part of the employee required contributions.

This bill provides that a participating employer in the WRS who is covered by the Municipal Employment Relations Act (MERA) may not pay, on behalf of any employee, the first 3 percent of earnings that the participating employee is required to pay as employee required contributions under the WRS if that employee first becomes a participating employee in the WRS on or after the bill's effective date. Employers covered by MERA generally include any city, county, village, town, metropolitan sewerage district, school district, family care district, or any other political subdivision of the state, or instrumentality of one or more political subdivisions of the state.

Because this bill relates to public employee retirement or pensions, it may be referred to the Joint Survey Committee on Retirement Systems for a report to be printed as an appendix to the bill.

BILL

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
